FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0292, 3060-0743]

Information Collections Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele, (202) 418-2991.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0292.

Title: Section 69.605, Reporting and Distribution of Pool Access Revenues, Part 69-Access Charges.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents and Responses: 732 respondents; 8,773 responses.

Estimated Time per Response: 0.75 hours-1 hour.

Frequency of Response: Annual and monthly reporting requirements and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 154, 201, 202, 203, 205, 218 and 403 of the Communications Act of 1934, as amended.

Total Annual Burden: 6,580 hours.

Total Annual Cost: No cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality.

Needs and Uses: Section 69.605 requires that access revenues and cost data shall be reported by participants in association tariffs to the association for computation of monthly pool revenues distributions. The association shall submit a report on or before February 1 of each calendar year describing the associations' cost study review process for the preceding calendar year as well as the results of that process. For any revisions to the cost study results made or recommended by the association that would change the respective carrier's calculated annual common line or traffic sensitive revenue requirement by ten percent or more, the report shall include the following information:

- (1) Name of the carrier;
- (2) A detailed description of the revisions;
- (3) The amount of the revisions;
- (4) The impact of the revisions on the carrier's calculated common line and traffic sensitive revenue requirements; and
- (5) The carrier's total annual common line and traffic sensitive revenue requirement. The information is used to compute charges in tariffs for access service (or origination and termination) and to compute revenue pool distributions. Neither process could be implemented without the information.

OMB Control Number: 3060-0743.

Title: Implementation of the Pay Telephone Reclassification and Compensation Provisions of the Telecommunications Act of 1996, CC Docket No. 96-128.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities and state, local and tribal government.

Number of Respondents and Responses: 4,471 respondents; 10,071 responses.

Estimated Time per Response: 11.730414 hours.

Frequency of Response: On occasion, quarterly and monthly reporting requirements, recordkeeping requirement and third-party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 276 of the Telecommunications Act of 1996, as amended.

Total Annual Burden: 118,137 hours.

Total Annual Cost: No cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: The Commission is not requesting that respondents submit confidential information to the FCC. If the Commission requests respondents to submit information which respondents believe is confidential, they may request confidential treatment of such information under 47 CFR 0.459 of the Commission's rules.

Needs and Uses: In CC Docket No. 96-128, the Commission promulgated rules and requirements implementing Section 276 of the Telecommunications Act of 1996. Among other things, the rules (1) establish fair compensation for every completed intrastate and interstate payphone call; (2) discontinue intrastate and interstate access charge payphone service elements and payments, and intrastate and interstate payphone subsidies from basic exchange services; and (3) adopt guidelines for use by the states in establishing public interest payphones to be located where there would otherwise not be a payphone. The information collected under LEC Provision of Emergency Numbers to Carrier-Payers would be able to ensure that interexchange carriers, payphone service providers (“PSP”) LECs, and the states, comply with their obligations under the 1996 Act.
